

HUMAN RELATIONS COMMISSION
CRC AGENDA
January 10, 2019

Strategy for Education of Sussex County Delawarians regarding Right Violations

Strategy for setting up workshops

- Work with the ACLU?
- Do we want the whole Committee or smaller groups of CRC Committee to present workshops?
- What groups should we work with to get free spaces for our workshops?
- Where should we target our first workshops?
- Where should we target our subsequent workshops? (Order of priority)
- Do we want community education meetings where people can also bring up and discuss rights violations issues and incidents in their community?
- If so, how do we bring up these issues the Commission and Legislators?
- Any other issues brought up at this January CC Meeting
